WORK EXPERIENCE

Software Development Engineering Intern at Springworks, Bangalore – Remote.   **Aug 2023 – Jan 2024**

Worked on **Azure DevOps, React, Bootstrap, SCSS, Unit testing, Git.**

In my previous role, I actively contributed to Software enhancement projects, **Addressing bugs**, and completing assigned **Subtasks**. Proficient in **React**, **Git** and **Azure DevOps**, I conducted rigorous **Unit testing** of React components, ensuring robust code quality. I played a vital role in the **Deployment process**, **Managing pipelines** and successful **Releases**, thereby contributing to the overall efficiency and reliability of the development workflow.

EDUCATION

KARPAGAM INSTITUE OF TECHNOLOGY, Coimbatore   **Nov 2020 –May 2024**

Degree Name | **B.TECH Artificial Intelligence and Data science.**

CGPA: **7.85/10.00**
